## **Thank you seniors for being life's role model.**

When we consider all you have taught us and reflect on the kind of person you are, we want to be like you- smart, interesting and engaging, positive, confident, yet unpretentious. We want to be like you- well informed and easy to understand, thinking with your heart as well as your head, gently nudging us to do our best, with sensitivity and insight. We want to be like you – giving your time, energy and talent to ensure the brightest possible future for each of us. Thank you. Heavenly Father, we thank you for our senior adults. Thank you for blessing each day of their lives. Thank you for blessing them with an abundance of your wisdom and knowledge. Thank you for providing for their spiritual, emotional, financial and physical needs. Bless them always. Amen.
