To My Other Mother

*You are the other Mother I received,
the day I wed your son
And I want to thank you Mom,
for the loving things you've done.*

*You've given me a gracious Man,
with whom I share my life
You are his lovely Mother,
and I his lucky Wife.*

*You used to pat his little head,
and now I hold his hand.
You raised in love a little boy,
and then gave me the Man.*

Love Is A Mother's Gift

**When God made mothers, He took great care
To fill their hearts with love so rare.
Their children are their greatest prize;
You can see the great love in your mother's eyes.
Love, love is a mother's gift
To their precious children, their hearts to lift.
Warm, tender and giving love
That grows them up healthy and happy.
Thank you, mother for all you give
To help me grow and to help me live.
I will love you forevermore,
My mother, my mom, whom I adore.
Love, love is a mother's gift
To their precious children, their hearts to lift.
Warm, tender and giving love
That grows us up healthy and happy.

The Memory of Grandma's Love

Grandma always held my heart, right from the very start.

Her arms were open wide. She had the safest place to hide.

Inside of Grandma's hug, I was safe and snug. Grandma's love always appeared, then trouble disappeared.

Grandma made me happy, because she loved me.

Grandma wiped my tears, and chased away my fears.

Grandma's love will always be, A precious memory to me!

My Mother

My mother is a woman like no other. She gave me life, nurtured me, taught me, dressed me, fought for me, held me, shouted at me, kissed me, but most importantly loved me unconditionally.

There are not enough words I can say to describe just how important my mother was to me, and what a powerful influence she continues to be..

Mother, I Love You.

The image features a prayer text centered on a background of green foliage and a blue sky. The text is written in a white, serif font and is arranged in a single column. The background is a soft-focus photograph of green leaves and branches, with a clear blue sky visible in the upper portion. The overall mood is peaceful and contemplative.

Dear God,
You are my first thought
and my first love. As the
day goes on and I
encounter challenges or
busyness, help me to keep
You first place. Help me to
discern Your voice from all
the other voices. Give me
the grace and wisdom I
need to serve You today and
be a blessing for those You
send my way. I love You
and I pray that my actions
throughout the day can
reflect that.

Amen

Dear God, Please bless my children.

For this I pray:

May they thrive in any economy.

May they be safe and protected.

May they be healthy and happy.

May they be uplifted by love.

May they be strengthened by
opportunity.

May their days be filled with fun and
play.

May all their needs be met—always.

May there be food, clothing, shelter,
and comfort.

And may their souls be nurtured no
matter the state of our world.

Please bless my children in all ways.
