Dear Members,

Franklin Street has put in place plans to reopen and operate according to the guidance of the Centers for Disease Control (CDC) as Louisiana state officials began lifting orders. As concerns regarding the corona virus continue, we should remember not to react out of fear, but use our faith, wisdom, and common sense to help the work of the Lord at Franklin continue during these challenging times.

Remember – God is with us!

What follows are our best practices for Franklin Street:

1. Sunday morning worship service will resume at 10am on June 7, 2020, under strict physical distancing protocols.
2. Sunday Spanish worship service will resume at 3:30pm on June 7, 2020 under strict physical distancing protocols.
3. ALL other services of the church are canceled until further notice.
4. The church building will be thoroughly disinfected before each worship service with the product Readiquat (Essential Industries).
5. Non-contact thermometers will be used to take temperatures.
6. There will be hand sanitizer stations at each entrance of the building for members and visitors to use when entering and exiting the building.
7. It is mandatory that all members and visitors wear a mask when entering the building and during worship service. Masks will be provided to those that don't have one.
8. Every other row of seating will be used in the sanctuary to satisfy the physical distancing protocol.
9. There will be a "No Physical Touch" policy:
 - a. Communion will be provided to each member upon entering the building and each person will be responsible for their trash.
 - b. Members are asked to place their Offering in a Collection Box.
 - c. We will use the big screen in lieu of songbooks.
10. Sunday sermons will continue on our website and we are hopeful to have video streaming of the sermon online very soon.
11. Please stay home if you are high risk or have symptoms of illness.

May God Bless the Franklin Street Church of Christ
